

Nho các vị đồng hương cộng đồng luật khoa VNCH phổ biến dùm và thư mời tham dự online launching event:

Cac vi đồng hương quý men,
Everyone is invited to the online launch, handled by TV Nguyen Phuc Anh Lan, presidential appointee to the Vietnam Education Fund by the Obama Administration, and daughter of my former math teacher at Trung Vuong High School, lop 9 (đê tú). Anh Lan was a junior schoolmate of mine at Trung Vuong High School, Saigon. I will be honored by everybody's presence (and/or your listening in) at the broadcast.

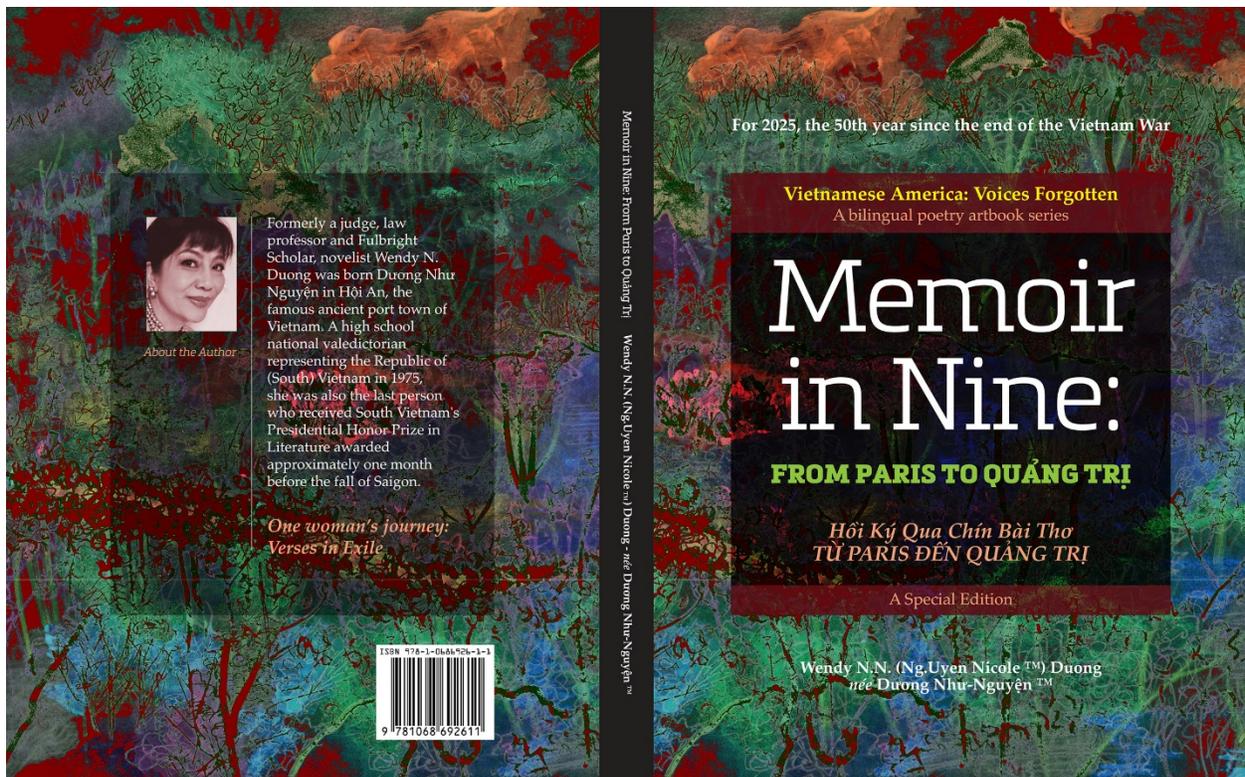

Pls kindly distribute this further to your email lists, your ama mater, friends, family, acquaintances (if possible, cc' me so I will know who to thank in terms of readership). Again, thank you so much. If anyone has any question, pls feel free to contact me.

I enclose the "launch" invitation and the cover of my first bilingual poetry book in the Series, *Vietnamese America: Voices Forgotten. The Series was developed for the 50th anniversary of the end of the Vietnam War--the beginning of the Vietnamese diaspora.*

If anyone among friends and acquaintances wants to have a print copy with author signature, pls contact me at this email address.

It has been a long journey, 50 years; yet, for me, it's just the beginning. I hope everybody feels the same. Our age, like the 50 years, is just a number...Our mind and our heart (despite what the medical profession has..given us) are endless and ageless.
